

Building Churches & Activity Centers Across the Nation

MORTON BUILDINGS, INC.

Planning is the key to success. As you consider your new temple of praise, think about today's needs while planning for tomorrow's growth.

When you choose Morton Buildings to help you plan and construct your place of worship, we will work closely with you every step of the way.

Morton's exclusive Energy Performer® Package is one of the most efficient insulation systems on the market. It helps to minimize utility bills for heating and air conditioning.

Your local Morton Sales Consultant is backed by a nationwide network of experts, including our team of engineers, estimators, and architects from our affiliates at Allied Design Architectural & Engineering Group, P.C.

At Morton, we have the experience to build every feature in your church.

- Sanctuary

We're Devoted to Helping you Serve Your Congregation

 **MORTON™ BUILDINGS, INC.**

Whether you favor traditional pews or the flexibility of sanctuary chair seating for your congregation, Morton can accommodate your needs—and we'll help you make the most of your available space.

When considering the layout and style of your building, look to Morton to offer a wide variety of exterior coverings, from traditional brick to our attractive, easy-to-maintain Hi-Rib™ steel.

When you want to accentuate your church building with a steeple, wall crosses, stained glass, or church signage, Morton can help you find exactly what you're looking for.

Our exclusive Hi-Rib™ acoustical steel reduces noise and improves the sound quality in your sanctuary, choir loft, nurseries, activity center—and anywhere else you choose to have it installed.
