

# Affordable Pricing and Classic Style

*For your essential storage needs*

## Morton Introduces the New Standard of Value

Consider Country Craft by Morton Buildings when you need easy solutions for your hard-earned dollars.

These surprisingly affordable, quality buildings can provide you with basic storage space—whether you need machine or hay storage, a garage, or a general-purpose building.

When you purchase a Country Craft, you have confidence that your building is backed by Morton Buildings' extensive experience, excellent service, and outstanding reputation.

To ensure quality control, Country Craft trusses, columns, and framing members are manufactured in Morton Buildings' plants. And your Country Craft will be erected by one of our experienced, Morton construction crews.
